## LETTER FROM THE PRESIDENT

Kia ora,

I am privileged and happy to present this report on my first year as President. The past year has been demanding for SNZ, with many high points, but there have also been many challenges for the organisation. My observations on the year are as follows:

I have enjoyed attending the Board meetings and observing the Board's productive, open and frank discussions. Swimming is lucky to have such talented and skilled Board members who are passionate about the sport.

I was privileged to attend Dame Sophie Pascoe's retirement announcement earlier this year. This year is her final term as an Associate Board member. So not only will we miss her competing at the highest level, but we will also miss her constructive input at Board meetings as well. Thank you, Dame Sophie, for your contribution to swimming.

The Board has worked hard over the last year, attaining some notable achievements. One of these was receiving the Sport NZ Governance Mark for Play, Active Recreation and Sport in New Zealand. Another was the excellent work carried out by the Constitution Review working group to update the SNZ Constitution. Another was the formation of the Athlete Leadership Group, which forms part of the Athlete Voice and Wellbeing strategy for SNZ, enabling the Board to be well informed on Athlete needs/issues in the sport.

One of the big challenges has been around funding and sponsorship, with our long-term sponsor, Apollo Projects, finishing this year and the complexities of securing a new sponsor in the current difficult times. The high-performance funding cut has had a big impact on the organisation. It has been great to see the collaborative work between SNZ and the NZ Swimming Alumni that has helped to mitigate the financial impact on the athletes attending international events.

One area that gives me personal satisfaction is the work done by the SNZ Technical Advisory Committee on the implementation of the Officiating Pathway, especially the great work done on the IOT and JOS e-learning modules.

I'd like to specially congratulate fellow SNZ Life Member John West on his election to the World Aquatics Bureau in Singapore at the World Aquatics Championships. This is an outstanding achievement and means for the first time since 2011, NZ has someone at the executive level of the international body. Congratulations also to Carlrine Gillespie on her appointment as an Instructor for officiating development for World Para Swimming.

Congratulations to some notable award recipients this year:

- Lesley Huckins for her King's Award, which was announced in the King's Birthday Honours, for her lifelong dedication to the sport from her early days as a competitive swimmer through to officiating at the highest level.
- Clive Power for his King's Award, which was announced in the King's Birthday Honours, for his service to swimming, dedicating more than 50 years to coaching and mentoring both coaches and swimmers at all levels.
- Jo Davidson and David Jack, who were presented with their Life Memberships at the NZ Open Championships this year, both have contributed many years to our wonderful sport.

Finally, I am looking forward to the first events in the new Parakiore pool in Christchurch, which will be the first time since the earthquakes that Canterbury will have a 50m pool and 50m Competitions, which will be a real boost to swimming in Canterbury, the South Island and New Zealand as a whole.

My passion for all things swimming continues, and I look forward to the coming year.

Ngā mihi nui

**Ron Clarke**

## BOARD AND CEO REPORT

### Governance and Leadership

Throughout 2025, the Board has remained steadfast in its commitment to delivering on the organisation's Purpose, Vision, and Mission, while continuing to implement and monitor progress against the 2028 Strategic Framework.

At each Board meeting, one of the four strategic pillars is reviewed in depth, with senior staff presenting updates, highlighting achievements, and identifying any roadblocks or areas requiring further attention. This structured approach has ensured that strategic alignment remains a priority, even during periods of high operational demand, and it has further strengthened the collaborative relationship between the Board and senior leadership.

A key milestone in 2025 was the successful renewal of our Sport New Zealand Governance Mark accreditation, reaffirming our commitment to best-practice governance standards. This achievement reflects the Board's ongoing focus on transparency, accountability, and continuous improvement.

We were proud to welcome the formation of the Athletes Leadership Group, a vital new conduit between athletes and the Board. This group plays a key role in ensuring athlete voices are heard at the highest levels of decision-making, enhancing our responsiveness to athlete needs and perspectives.

Significant progress was also made in modernising our governance framework. The Board, in collaboration with the Constitution Working Group, undertook a comprehensive review and

amendment of the organisation's Constitution, incorporating feedback from regional stakeholders and ensuring full compliance with the new Incorporated Societies Act. In parallel, we updated our regional and club constitution templates, streamlining the re-registration process and enabling more efficient governance practices across our network.

Financial stewardship remained a critical focus area, and the Board has worked diligently to ensure that the operational budget remains aligned with strategic goals. This has meant we could continue to deliver high-quality programmes and services despite rising costs and the loss/reduction of two major funding streams through the year, namely, a \$600,000pa reduction in high performance funding from High Performance Sport NZ following the Paris Olympics and the end of our four-year Principal Partnership agreement with Apollo Projects.

Operationally, the Board closely monitors the performance of the CEO and the management team, ensuring that the operational budget is adhered to and remains aligned with achieving the organisation's strategic goals.

The Board has continued to drive awareness and improvement in the areas of health & safety, diversity, inclusion, and wellbeing. The continued investment in our Diversity, Inclusion & Wellbeing Manager continues to be instrumental in embedding these values across the organisation. Initiatives such as the Be Heard web portals have provided meaningful support to athletes, parents, and coaches, reinforcing our commitment to holistic wellbeing.

The Future Leaders Programme also experienced continued success, with Dame Sophie Pascoe bringing her unparalleled experience as a high-performance para-athlete to the Board as an Associate Director.

Her insights have enriched Board discussions and contributed to a more inclusive and athlete-informed governance approach. The AGM will mark the end of her three-year journey on the Board, and we thank her for her passion and expertise, which she has brought throughout her term. We look forward to welcoming a new Associate Director to the Board later in 2025.

While challenges remain, the Board is resolute in its commitment to innovation and adaptability. Competitive swimming, though a minority sport, holds a prominent place in New Zealand's sporting landscape. To sustain and grow participation, we must continue to evolve our offerings and ensure they meet the changing needs and expectations of our communities.

The Board is energised by the progress made and remains fully committed to navigating the path ahead with purpose, agility, and a deep respect for the legacy of work that has brought us to this point.

## Board Operations

### Board Composition

The Board comprises seven members who can serve a maximum of three, three-year terms (three elected by the membership and four appointed by the Board Appointments Panel), the Swimming President (maximum three one-year terms; non-voting), plus up to two Associate Directors (non-voting) as part of the Board's Future Leaders Programme.

Elected Board member Wayne Rollinson resigned from the Board in July, with his position being replaced as part of the 2025 Board Appointment process currently underway. We thank Wayne for the commitment and passion that he brought to the table throughout his six years on the Board and wish him all the very best for his future endeavours.

Category	Name	Start (AGM)	Finish (AGM)	Term
Appointed Members	Pip Jamieson	2023	2026	2nd
	Hannah Doney	2024	2025	1st
	Debbie Pattullo	2023	2025	1st
	Kate Holtmeier	2024	2027	2nd
Elected Members	Nathan Thomas	2024	2027	1st
	Wayne Rollinson	2022	2025	2nd
	Tim Bowen	2023	2026	1st
President	Ron Clarke	2024	2025	1st
Associate Director	Dame Sophie Pascoe	2024	2025	3rd

## Meetings / Committees

The Board met formally eight (8) times throughout the year and dealt with a broad cross-section of issues, including high performance, membership protection, health and safety, finance, participation and diversity, inclusion and wellbeing. The Board also convened several additional meetings for governance-related matters throughout the course of the year and held a structured, externally facilitated development and planning session with members of the senior leadership team.

Board members were also involved in several working groups aligned to various operational projects, including the development of our Sport NZ Strengthen & Adapt Project, Swimming Connect and participation and constitutional review committees and attended regional and national swim meets where possible. Meetings moved online at the start of 2025 in order to minimise costs. Meeting attendance was recorded as follows:

Name	Attended	Apologies
Ron Clarke	5	1
Debbie Pattullo	8	
Pip Jamieson	8	
Hannah Doney*	6	
Nathan Thomas	8	
Wayne Rollinson	7	1
Tim Bowen	8	
Kate Holtmeier	7	1
Dame Sophie Pascoe	6	2

\* Commenced Oct 2024

The Board's Audit & Risk Committee met four (4) times throughout the year and provided oversight and review of the organisation's financial accounts, year-end audit, risk matrix, and health & safety policies and reporting. Meeting attendance was recorded as follows:

### Audit & Risk Committee:

	Attended	Apologies
Pip Jamieson (Chair)	4	0
Nathan Thomas	4	0
Tim Bowen	4	0

## Composition, Skills and Diversity

The Board continues to align with Sport NZ's requirement to have a minimum of 40% of board members that identify as female, with 4 of the 7 Board positions held by females (57%). The Board also has a member who identifies with the LGBTQ community. Board members are domiciled in Auckland (2), Christchurch (2), Bay of Plenty (1), Nelson (1) and Wellington (1) and comprise a broad range of skills and experiences as follows:

Skill	Out of 28
Strategy & Planning	27
Business / Commercial	26
People & Culture	24
Stakeholder / Govt Relations	21
Swimming Experience	21
Governance	20
Accounting / Financial	19
Marketing / Media	18
Community Sport	18
High Performance	16
Health & Safety	15
Water Safety & Education	15
Multi-culturalism	13

## Board Development

The board has undertaken an evaluation assessment this year in the form of Sport NZ's Individual Director Development programme. A useful tool for enhancing individual Board members' governance capabilities and helping

them to clarify and focus on the value they add to the Board and the organisation.

## Finance

The Board, guided by its Audit & Risk Committee with members Pip Jamieson (Chair), Tim Bowen and Nathan Thomas, and supported by Peter Carroll, has overseen the organisation's financial operations during a year of considerable challenge and transition.

The 2024–2025 financial year was shaped by reduced funding, inflationary pressures, and strategic investments across high-performance sport, education, and participation. Despite these headwinds, the organisation remained focused on its long-term strategic goals and continued to deliver value to its members and stakeholders.

Swimming New Zealand reported total revenue of \$4.65 million for the year ending 30 June 2025, a decrease of \$1.17 million compared to the previous year's \$5.82 million. This decline was largely due to reductions in grant funding and fundraising income, as well as a decrease in High Performance Sport New Zealand funding following the Paris Olympic Games. These changes reflect broader economic conditions and a competitive funding environment that has impacted many national sporting bodies.

Total expenses for the year were \$4.75 million, down from \$5.82 million in 2024. The organisation recorded a net deficit of \$98,221, compared to a modest surplus of \$810 in the prior year. While the deficit was anticipated, it was managed within the context of strategic investment and funding transitions. Importantly, Swimming New Zealand maintained a stable equity position, closing the year with \$403,059 in total equity, down from \$501,280 in 2024. This outcome reflects the organisation's commitment to prudent financial management and

its ability to align financial decisions with strategic priorities.

Expenditure for the year was carefully managed across key operational areas. High Performance programmes and services accounted for \$1.73 million, including \$795,309 for international team support, \$176,463 for athlete and coach support, and \$758,641 for other high performance initiatives. Investment in high performance remains central to Swimming New Zealand's strategic plan, supporting the national goal of becoming a top-16 swimming nation by 2028.

Financial support to athletes for attendance at international events has been provided by the New Swimmers Trust via the SNZ Swimmers Trust Levy, totalling \$63,150. We remain eternally grateful for the ongoing financial support the Trust provides our athletes each year. Thank you to Trust Chair, David Jack, and fellow Trustees for their ongoing support.

Events and competitions represented a significant area of expenditure, with \$977,859 allocated to the delivery of national competitions, logistics, and related operational costs. Although slightly lower than in 2024, events continue to be a major focus for the organisation, providing essential opportunities for athlete development and community engagement.

Education expenses totalled \$222,369, including costs associated with AUSTSWIM and ICENZ Ltd (Watermark Training & Consultancy) education programmes. These initiatives reflect Swimming New Zealand's commitment to water safety and the professional development of instructors and swim schools across the country. The education function plays a vital role in ensuring that New Zealanders are safer in the water and that the aquatic workforce is well-trained and supported.

Administration and governance costs amounted to \$861,751, comprising \$741,869 in general administration expenses, \$98,944 in governance-related costs, and \$21,865 in audit and accountancy fees. Operational efficiency and strong governance remain key priorities for the Board, and the organisation continues to invest in systems, compliance, and strategic oversight to ensure effective and transparent operations.

The organisation's equity position, while reduced from the previous year, remains strong. With \$361,060 in total equity, Swimming New Zealand is well-positioned to continue delivering on its strategic objectives while maintaining financial resilience. The Board remains focused on ensuring that the organisation's financial resources are used effectively to support its mission and to deliver value to its members.

Looking ahead, the financial environment remains uncertain, with ongoing inflationary pressures and a competitive funding landscape. However, Swimming New Zealand is confident in its ability to adapt and respond to these challenges. The organisation will continue to explore new funding opportunities, strengthen its commercial partnerships, and invest in areas that deliver the greatest impact for its members and the wider swimming community.

The Board acknowledges the efforts of the management team and staff in navigating a complex financial year and thanks all members, partners, and stakeholders for their continued support. With a clear strategic direction and a strong commitment to financial stewardship, Swimming New Zealand is well-placed to build on its achievements and to continue delivering on its Vision of "Swimming for All; Swimming for Life."

## Conclusion

The Board extends its heartfelt congratulations to all our international athletes, their coaches, and support teams for their unwavering dedication and commitment to representing New Zealand on the world stage. Their performances continue to inspire pride and admiration, and throughout this report, we celebrate the many achievements that have brought honour to our country and our sport.

We also wish to acknowledge the exceptional contribution of the Board itself. To Deputy Chair Pip Jamieson, Kate Holtmeier, Tim Bowen, Nathan Thomas, Hannah Doney, Wayne Rollinson, President Ron Clarke, and Associate Director Dame Sophie Pascoe – thank you for your leadership, insight, and tireless commitment. Your collective efforts have ensured that Swimming New Zealand remains well-positioned to meet the challenges ahead with confidence and clarity of purpose.

The Board is deeply appreciative of the work of the management team, led by CEO Steve Johns. This year has tested the resilience of our organisation, with necessary structural changes and role disestablishments required to respond to funding reductions. Despite these challenges, the team has continued to lead with energy, professionalism, and a deep commitment to our strategic goals. Their ability to maintain the delivery of high-quality programmes and services under constrained circumstances is a testament to their dedication and capability.

Finally, we extend our sincere thanks to the wider swimming community – our regions, clubs, coaches, administrators, technical officials, volunteers, and athletes. Your passion, perseverance, and belief in the power of swimming to enrich lives are the foundation of everything we do. It is

through your collective efforts that we continue to grow, evolve, and succeed.

As we look to the future, we do so with optimism and determination. Together, we are stronger, and we will continue to turn challenges into opportunities, ensuring that swimming in New Zealand thrives for generations to come.

# PARTICIPATION AND COMPETITIONS

## Dale Johnson, Head of Participation, Competitions & Engagement Swimming New Zealand

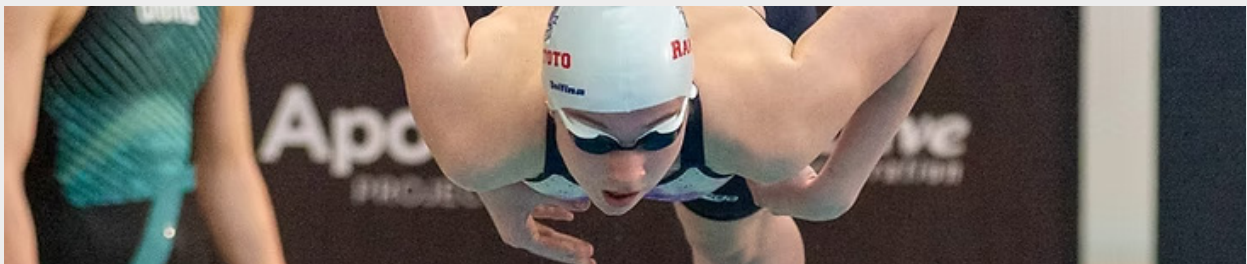

It's been another big 12 months in growing participation and providing positive swimming experiences for our community. The continuation of our Dive Start Clinics saw 259 kids learn from and meet their Aquablack heroes across 11 clinics in the past 12 months. Local kids were once again involved as basket handlers at our major national championships, getting involved and an up-close view of our top swimmers in action.

We continued to see significant growth in our Para swimming space, with a 60% increase in classified swimmers one of the many highlights. Our disability swimming programmes continued to offer support for people with a disability to get active in the water, with another successful Vision Impairment Camp,

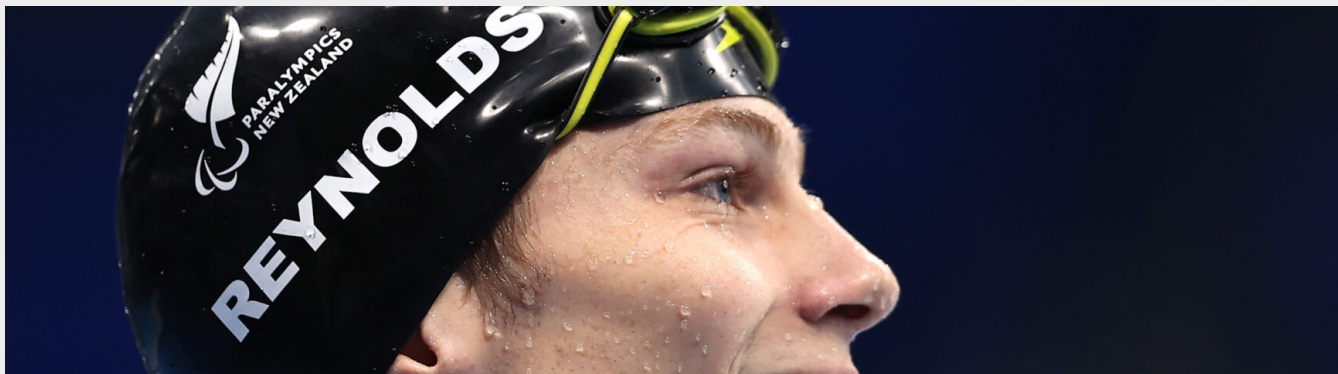

multiple clinics and financial support provided through the Disability Swimming Fund.

The second year of our Unlock Your Greatness campaign saw us further promote the important messages of learning to swim is one of the most important life skills and the endless health and wellbeing benefits that come from being active in the water. Digital resources were provided to swim schools and facilities to help promote these important messages.

The programmes offered by our regions continue to grow, such as an increase in the number of Have A Go meets provided to encourage kids to give racing a try.

# COMPETITIONS

Swimming NZ hosted 16 competitions in the past 12 months, across open water and the pool in 9 locations around New Zealand. Participant feedback reflected high quality delivery, with an average rating of 7.6 out of 10.

The start of the 2025 calendar saw the introduction of the updated competition pathway and timing of competitions, thanks to the Competition Review announced in mid-2024. This included an update to the timing of the NZ Swimming Championships and Junior Festivals, and shifting the 17-18 years age group to the NZ Swimming Championships. Another update has seen the spreading of the Regional Championships in the months leading into the national championships which have also been well-received.

There were many highlights at national competitions within the past year. A host of qualifying times for respective World Championships were achieved, with a total of 89 throughout the twelve-month window across Aquablack teams, World Juniors and World Short Course. Even more NZ records and NZ age records were broken at competitions, with 107 and 79 respectively, demonstrating the quality of swimming that occurred across the national championships.

Another highlight was the record-breaking number of Multi-Class swimmers at the 2025 Apollo Projects NZ Swimming Championships, with 33 athletes, the highest number at any national championships in New Zealand.

# HIGH PERFORMANCE

Being a Games year, 2024 was always going to be exciting. On the Olympic front, New Zealand has only ever had six Olympic swimming medallists, and hopes were high entering Paris 2024 with our first two ever long course World Aquatics champions. On the Paralympic front, notwithstanding the absence of perennial champion, Dame Sophie Pascoe, our team went to Paris with two defending Paralympic champions.

Unfortunately, the podium evaded both teams. At the Olympics, Erika Fairweather placed fourth in her favoured 400m freestyle, just 0.26 seconds behind Katie Ledecky having already chased back 1.26 seconds in the final 50m. At the Paralympics, the margin was even closer, with Cameron Leslie fourth in both the 50m freestyle S4 and 50m backstroke S4 by 0.13 and 0.24 seconds, respectively. Congratulations to respective coaches Lars Humer and Tom Onley.

With seventh in the 200m freestyle, eighth in the 800m freestyle, and eighth again leading off our women's 4x200m freestyle relay, Erika became the first New Zealander to contest four swimming finals in the same Olympics. Moreover, the relay team itself created history, with Erika, Eve Thomas, Caitlin Deans and Laticia Transom being our first ever quartet to make the final of that event.

Lewis Clareburt rounded out our Olympic finalists with sixth in the 400m Individual Medley, amid an onslaught and world record from swimmer of the meet and hometown hero, Leon Marchand. Lewis had unfortunately fallen ill during his last months of preparation at home, taking the edge off the Commonwealth and World Champion's best.

Like Erika, Cameron Leslie also made four finals in Paris, adding the 100m and 200m S4 freestyle to the two 50m events – a reasonable return after sitting out the Tokyo 2020 Games during the Covid cycle. Cameron was joined in finals by Jesse Reynolds making his third consecutive 100m backstroke S7 final, and Gaby Smith finaling in the 100m breaststroke SB9 and 200m Individual Medley SM10.

Disappointingly, this was the first Paralympic Games ever, since first entering in 1968, that New Zealand hadn't returned with a swimming medal of any colour, though the promise of debutants like Gaby, Lili-Fox Mason and Josh Willmer bode well for the future.

The year capped off with a hand-full of World Cup entries, a 24-strong team contesting the World Aquatics Short Course Championships in Budapest, and a team of 16 from the Olympic and Paralympic development pathways taking on the Queensland Championships. Carter Swift made the headlines in the final leg of the World Cup in Singapore, lowering the 100m freestyle NZ record to 46.96 seconds. In Budapest, Eve Thomas, Helena Gasson and Hazel Ouwehand stood out with top 10s and semi-finals. And in Queensland, we saw the start of Rylee Sayer's progression towards world ranks.

The year proved the swansong for Helena, along with fellow long-time servants and Aquablacks Dame Sophie Pascoe, Jesse Reynolds, Laticia Transom, Zac Reid, and Luan Grobbelaar, as well as three-time World Short Course representative Emma Godwin. The accolades and awards between them are innumerable, and we wish them well in the next stages of their lives. We also bade farewell to long-time Olympic Program Lead, Gary Francis, with thanks for the trust and collaboration he built during his tenure.

Unfortunately, the lack of medals in Paris proved challenging with High Performance Sport New Zealand, and despite other achievements in the quadrennium, our High Performance funding was reduced from \$1.6m to \$1m per annum for the coming cycle. Nonetheless, through rigorous planning, we have launched the "Learn Adapt Podium LA2028" plan, including the appointment of Graeme Maw as Head of High Performance, and Graham Hill and Simon Mayne as Olympic and Paralympic Head Coaches, respectively. We look forward to the coming four years with excitement.

**Graeme Maw**

[Head of High Performance]

## TECHNICAL OFFICIALS

Technical Officials play an integral part in the delivery of competitions across the country. During the past twelve months, our Technical Advisory Committee has further progressed the rollout of the new officiating pathway to support the development and opportunities available for officials at all levels for New Zealand officials.

Major initiatives that were released in the past twelve months included:

- Online education modules for Inspector of Turns (IOT) to assist officials to learn the theory in an interactive and engaging manner in bite-sized modules wherever and whenever suits them
- A new assessment process which includes twelve assessors to ensure consistency of standards are met across the country as part of achieving

qualifications

- Release of learning logs for IOT to help trainees monitor their progress to assist them in gaining experience ahead of assessment
- Launch of the mentorship programme with 28 participants, with the programme offering development opportunities for officials at national and international competitions
- Bi-monthly Officials Newsletters to help ensure latest updates and useful information is shared around the country

Our technical officials continue to excel at pinnacle international competitions, with five New Zealand officials having appointments in the past twelve months.

# 2024 SWIMMING NEW ZEALAND AWARDS

*Award criteria can be found at the base of the Awards Section  
or [Click Here](#)*

# AWARD RECIPIENTS

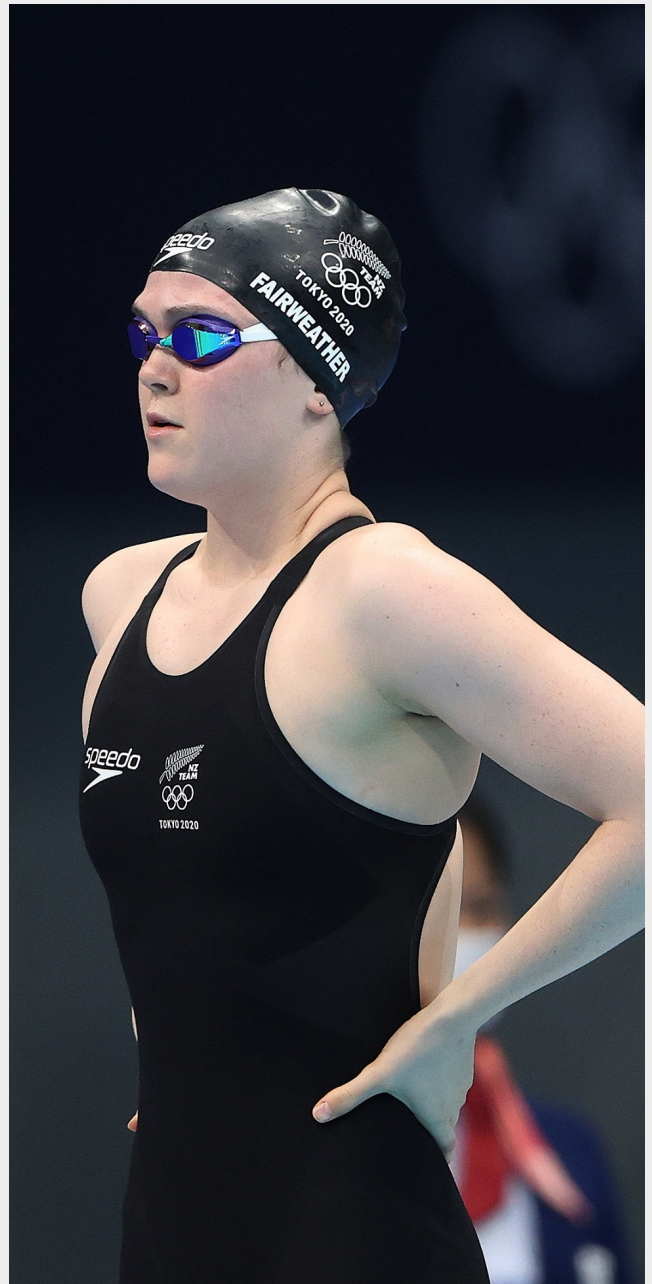

## **Baxter O'Neill Trophy, Billie Fitzsimmons Cup, and Closest to World Record - Olympic Pathway awarded to Erika Fairweather**

Erika receives the Baxter O'Neill Trophy for her outstanding performances across the 2024 calendar year. Becoming World Champion with a NZ Record-breaking and sub 4-minutes performance in the Women's 400m Freestyle in Doha was the highlight, alongside her silver and bronze medals. Other highlights also include making three individual finals and being a member of the 4 x 200m Freestyle Relay team who made the final at the Paris 2024 Olympic Games. Erika is also being recognised being a role model for the wider swimming community.

Erika receives the Billie Fitzsimmons Cup for her strong performances representing New Zealand internationally in 2024, most notably for becoming World Champion in the 400m Freestyle in a New Zealand Record alongside a silver and bronze medal in Doha, as well as making three individual finals and the Women's 4 x 200m Freestyle Relay final at the Paris 2024 Olympic Games.

Finally, Erika receives the Closest to World Record - Olympic Pathway award for her history making performance in the Women's 400m Freestyle final in Doha, where she became New Zealand's first World Aquatics Champion as she broke her New Zealand Record as the fifth fastest woman in history.

This is the second consecutive year Erika has received these awards.

## Dame Sophie Pascoe International Para Swimmer of the Year and Closest to World Record - Paralympic Pathway awarded to Cameron Leslie

Cameron receives the Dame Sophie Pascoe International Para Swimmer of the Year award for his performances at the Paris 2024 Paralympic Games where he made the final in all four of his events, including two fourth places.

Cameron receives the Closest to World Record - Paralympic Pathway award for his performance in the Men's 50m Freestyle S4 at the Paris 2024 Paralympic Games.

This is the third consecutive year Cameron has received these awards.

## Domestic Swimmer of the Year awarded to Helena Gasson

Helena receives this award for her strong performances at both the 2024 Apollo Projects NZ Swimming Championships and 2024 Apollo Projects NZ Short Course Swimming Championships, where she achieved world-class short course World Aquatics A times across three events, the 100m Backstroke, 100m Individual Medley and 50m Butterfly. This is the second time Helena has won this award, previously in 2019, and showed that Helena was still performing at her best as she retired from competitive swimming at the end of 2024.

## Domestic Para Swimmer of the Year awarded to Asher Smith-Franklin

Asher receives this award for his consistently strong and NZ Record-breaking performances across the calendar year. This is the second consecutive year Asher has received this award.

## Annette Kellerman Cup awarded to Alex Dunkley

Alex receives this award for his performances at the 2024 Orangetheory NZ Open Water Swimming Championships in Taupo where he won the Men's 10km national title. Alex also performed strongly at the 2024 World Aquatics Junior Open Water Swimming Championships in Sardinia, where he was the highest ranked New Zealand swimmer in the 10km event and progressed to the second round in the 3km knockout event. This is the second consecutive year Alex has received this award.

### **Coach of the Year and International Coach of the Year awarded to Lars Humer**

Lars receives the Coach of the Year award for his coaching of top performances in 2024, such as Erika Fairweather's three medals in Doha including her gold in the Women's 400m Freestyle, and coaching Caitlin Deans and Kane Follows to make it three swimmers from the Swim Dunedin programme on to the Paris 2024 Olympic Games team. This award also recognises the Swim Dunedin programme, with a highlight being providing for more than 60 swimmers aged 18+. This is the fourth time Lars has received this award.

Lars receives the International Coach of the Year award for his coaching performance of helping three Swim Dunedin swimmers, Caitlin Deans, Erika Fairweather & Kane Follows, to be selected for the Paris 2024 Olympic Games. This award recognises his coaching achievements internationally during the 2024 calendar year, which include Erika Fairweather becoming NZ's first World Aquatics Champion in the 400m Freestyle and her medals in the 200m Freestyle and 800m Freestyle in Doha. The highlights from Paris include Erika making three individual finals and the Women's 4 x 200m Freestyle making the final which included Caitlin and Erika in the team. This is the third consecutive year Lars has received this award.

### **International Para Coach of the Year awarded to Tom Onley**

Tom receives this award for his coaching of Cameron Leslie at the Paris 2024 Paralympic Games, where Cameron made the final in all four of his events and included two fourth place finishes. This is the third consecutive year Tom has received this award.

### **Domestic Coach of the Year awarded to Michael Weston**

Michael receives this award for his coaching achievements at Coast Swimming Club across the 2024 national championships and the individual performances by his swimmers at these championships. This is the second consecutive year Michael has received this award.

### **Domestic Para Coach of the Year awarded to Todd Mason**

Todd receives this award for his coaching of Para swimmers in 2024, most notably Gaby Smith as she qualified for the Paris 2024 Paralympic Games. This is the first time Todd has received this award

Duncan Laing Trophy awarded to Coast  
Swimming Club

### Jackie Clarke Award awarded to Beth Finer

Beth receives this award for her dedication to the sport. Beth holds multiple roles within the region, which include being the database caretaker, recorder and a member of the Events Committee and Awards Committee for Northland. She oversees all club meets across the Northland region and is the driving force behind developing new initiatives for members and young swimmers. Beth travels regularly throughout the region to assist with competition delivery, leading operations of the control room and upskilling others along the way. She is proactive in promoting upcoming meets and engaging with the clubs in the region to provide a positive experience for all. Beth no longer has a swimmer based in the region since her daughter now studies and swims in Dunedin, but continues to give so much to the delivery of the sport.

### Bill Matson Award awarded to Ross Gillespie

Ross receives this award for his two major international appointments within the 2024 calendar year. Ross was appointed as one of only two starters from around the world for the 2024 World Aquatics Championships in Doha, and then appointed as an Open Water Official at the Paris 2024 Olympic Games. This is the third time Ross has won this award.

### Domestic Technical Official of the Year awarded to Ellie Sherwood

Ellie is the recipient of this award for her outstanding commitment and contribution to competitions throughout the country and her local region throughout the 2024 calendar year. Ellen officiated to an excellent standard within integral roles at national championships, which has also been recognised by her being nominated to the World Aquatics Swimming Officials List earlier this year. This is the first time Ellie has received this award.

### Emerging Swimmer of the Year (NZ Swimming Trust Award) awarded to the following winners from each zonal category

#### All Stars Zone

Daniel Williams

#### Aquaknights Zone

Milana Tapper

#### Harlequins Zone

Isabelle Gibson

Zoe Pedersen

#### Makos Zone

Brooke Bennett

#### Para Swimmer

Asher Smith-Franklin

### Norma Williams Cup & Don Stanley Scholarship awarded to Isabelle Gibson

# SWIMMING NEW ZEALAND RECOGNITION AWARDS

Swimming New Zealand are excited to acknowledge and thank the 37 recipients of the Swimming New Zealand Recognition Awards as listed below during the past twelve months.

## Service Award

Awarded in recognition of active service of an outstanding nature for a period of not less than 6 years of continuous service to Swimming New Zealand. The Honours & Awards Committee may consider a lesser period where service has been of an exceptional level to Swimming New Zealand.

Name	Region
Nicola Catchpole	Canterbury West Coast
Stuart Challenger	Canterbury West Coast
Roly Crichton	Canterbury West Coast
Robina Dobbie	Canterbury West Coast
Yvonne Fox	Southland
Kate Griffiths	Auckland
Helene Helms	Auckland
Ali Hickford	Taranaki
Unity Hope	Manawatu
Kerren Keach	Otago
Sonia Keepa	Hawke's Bay Poverty Bay
Shirley Mackay	Auckland
Merryn Maguire	Canterbury West Coast
Simon Moore	Canterbury West Coast
Karen Nixon	Canterbury West Coast
Louis Noel	Manawatu
Sue Noel	Manawatu
Tonya Osborne	Auckland
Kim Richardson	Manawatu
Rhys Simpson	Manawatu
Kazuko Tapper	Waikato
Jeanette Wright	Canterbury West Coast

## Distinguished Service Award

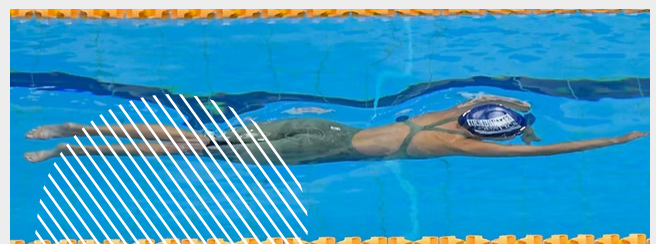

Awarded in recognition of active service of an outstanding nature for a period of not less than 12 years of continuous service to Swimming NZ. The Honours & Awards Committee may consider a lesser period where service has been of an exceptional level to Swimming New Zealand.

Name	Region
Hugh Allan	Wellington
Toni Bayliffe	Auckland
Dave Beattie	Waikato
Donna Bridgman	Canterbury West Coast
Alan Hale	Otago
Brent Harris	Wellington
Celia Honiss	Northland
Gavin Ion	Waikato
Bronwen Radford	Bay of Plenty
Wayne Rollinson	Canterbury West Coast
Ellie Sherwood	Bay of Plenty
Brian Tong	Auckland

## Exemplary Service Award

Awarded in recognition of exceptional service, contribution, and commitment to the sport of swimming at national level.

Name	Region
Nick Tongue	Auckland

# LIFE MEMBERSHIP

The highest award Swimming NZ can bestow on an individual for service to the sport. Life Membership is awarded for having made a significant impact on swimming in New Zealand, have made an active contribution to the wider swimming community in various roles for a period of not less than 18 years and achievements that must be beyond what could reasonably be expected within the swimming community.

Name	Region
Jo Davidson	Auckland
David Jack	Auckland

## AWARD CRITERIA

### **Baxter O'Neill Trophy**

The Baxter O'Neill Trophy is presented to the overall swimmer of the year for swimming performance, services to the sport and character.

### **Billie Fitzsimmons Cup**

The International Swimmer of the Year award is presented to the swimmer with the most outstanding performance in the 2024 calendar year.

### **Dame Sophie Pascoe International Para Swimmer of the Year**

For the first time, this award has been renamed the Dame Sophie Pascoe International Para Swimmer of the Year in recognition of her international swimming career highlighted by being an 11-time Paralympic Champion. Dame Sophie Pascoe had previously won this award a record eight time during her career. The Dame Sophie Pascoe International Para Swimmer of the Year is presented to a Para swimmer with the most outstanding international performance within the 2024 calendar year.

### **Domestic Swimmer of the Year**

The Domestic Swimmer of the Year is presented to a swimmer who has excelled in New Zealand competitions during the 2024 calendar year.

### **Domestic Para Swimmer of the Year**

The Domestic Para Swimmer of the Year is presented to a Para swimmer who has excelled in New Zealand competitions during the 2024 calendar year.

### **Annette Kellerman Cup**

The Annette Kellerman Cup is presented to the individual with the best result in open water events in New Zealand and overseas during the 2024 calendar year. This award is commonly known as the Open Water Swimmer of the Year.

### **Closest to World Record - Olympic Pathway**

It is presented to the Olympic pathway athlete who achieved a time closest to the World Record at the time of the event in the 2024 calendar year.

### **Closest to World Record - Paralympic Pathway**

It is presented to the Paralympic pathway athlete who achieved a time closest to the World Record at the time of the event in the 2024 calendar year.

## AWARD CRITERIA

### **Coach of the Year**

This award is presented as the supreme coach of the year award for coaching performance, services to the sport and character in the 2024 calendar year.

### **International Coach of the Year**

The International Coach of the Year is presented to the coach of the swimmer with the most outstanding international performance in the 2024 calendar year.

### **International Para Coach of the Year**

The International Para Coach of the Year is presented to the coach of the Para swimmer with the most outstanding international performance in the 2024 calendar year.

### **Domestic Coach of the Year**

The Domestic Coach of the Year is presented to a coach who has excelled in New Zealand during the 2024 calendar year.

### **Domestic Para Coach of the Year**

The Domestic Para Coach of the Year is presented to a coach who has excelled in New Zealand during the 2024 calendar year.

### **Duncan Laing Trophy**

The Duncan Laing Trophy is presented to the club with the most combined club points in individual events from the 2024 Apollo Projects NZ Swimming Championships, the 2024 Apollo Projects NZ Age Group Swimming Championships, and the 2024 Apollo Projects NZ Short Course Swimming Championships.

### **Jackie Clarke Award**

The Jackie Clarke Award is presented to a volunteer who has displayed outstanding commitment and dedication to swimming either to Swimming NZ, a region, or a club within administration in 2024 calendar year. This award is commonly known as the Volunteer Administrator of the Year.

## AWARD CRITERIA

### **Bill Matson Award**

The Bill Matson Award is presented to a technical official who has officiated in an integral role in an international competition in the 2024 calendar year. This award can be referred to as the International Technical Official of the Year.

### **Domestic Technical Official of the Year**

The Domestic Technical Official of the Year is presented to recognize technical officials who have made an outstanding contribution within New Zealand in the 2024 calendar year.

### **Emerging Swimmer of the Year (NZ Swimming Trust Award)**

These awards are presented by the NZ Swimming Alumni to up-and-coming swimmers from each of the four zones and a Para swimmer who has excelled in the qualifying period in long or short course. Nominees must not have won the overall award previously.

### **Norma Williams Cup & Don Stanley Scholarship**

The Norma Williams Cup is presented to the overall emerging swimmer of the year in recognition of their achievements in 2024. This award winner also receives the Don Stanley Alumni scholarship.

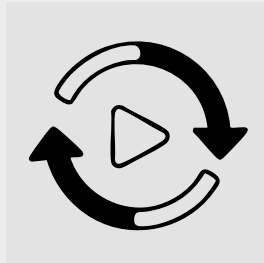

# MARKETING AND COMMUNICATIONS

Swimming New Zealand is committed to keeping our community informed through newsletters, social media, and website updates, adapting our approach as the digital landscape continues to evolve.

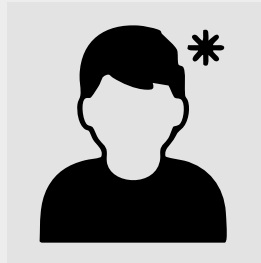

Our focus remains on continuing to showcase the sport through timely and compelling content, while further amplifying the voice of our swimming community through collaboration with key stakeholders such as clubs, regions, High Performance Sport New Zealand, and Paralympics New Zealand.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SWIMMING NEW ZEALAND INCORPORATED

### Opinion

We have audited the general purpose financial report of Swimming New Zealand Incorporated ("the Society"), which comprises the financial statements on pages 4 to 16, and the statement of service performance on pages 3. The complete set of financial statements comprise the statement of financial position as at 30 June 2025, the statement of comprehensive revenue and expense, statement of changes in net assets/equity, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the accompanying general purpose financial report presents fairly, in all material respects:

- the financial position of the Society as at 30 June 2025, and its financial performance, and its cash flows for the year then ended; and
- the statement of service performance for the year ended 30 June 2025, in that the service performance information is appropriate and meaningful and prepared in accordance with the Society's measurement bases or evaluation methods,

in accordance with Public Benefit Entity Standards Reduced Disclosure Regime ("PBE Standards RDR") issued by the New Zealand Accounting Standards Board.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)) and the audit of the statement of service performance in accordance with the ISAs (NZ) and New Zealand Auditing Standard 1 (NZ AS 1) (Revised) *The Audit of Service Performance Information (NZ)*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the General Purpose Financial Report section of our report. We are independent of the Society in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Society.

### The Board's Responsibilities for the General Purpose Financial Report

The Board are responsible on behalf of the Society for:

- a) the preparation and fair presentation of the financial statements and statement of service performance in accordance with PBE Standards RDR;

**PARTNERS:** Fraser Lellman CA Janine Hellyer CA Paul Manning CA Donna Taylor CA Linda Finlay CA  
Michael Lim CA

- b) the selection of elements/aspects of service performance, performance measures and/or descriptions and measurement bases or evaluation methods that present a statement of service performance that is appropriate and meaningful in accordance with PBE Standards RDR;
- c) the preparation and fair presentation of the statement of service performance in accordance with the Society's measurement bases or evaluation methods, in accordance with PBE Standards RDR;
- d) the overall presentation, structure and content of the statement of service performance in accordance with PBE Standards RDR; and
- e) such internal control as the Board determine is necessary to enable the preparation of the financial statements and statement of service performance that are free from material misstatement, whether due to fraud or error.

In preparing the general purpose financial report the Board are responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Society or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the General Purpose Financial Report**

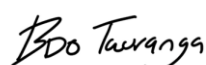

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, and the statement of service performance are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and NZ AS 1 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate or collectively, they could reasonably be expected to influence the decisions of users taken on the basis of this general purpose financial report.

A further description of the auditor's responsibilities for the audit of the general purpose financial report is located at the XRB's website at <https://www.xrb.govt.nz/standards/assurance-standards/auditors-responsibilities/audit-report-14-1/>

This description forms part of our auditor's report.

### **Who we Report to**

This report is made solely to the Society's members, as a body. Our audit work has been undertaken so that we might state those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Society and the Society's members, as a body, for our audit work, for this report or for the opinions we have formed.

## Statement of Service Performance

### For the year ended 30 June 2025

#### Description of entity's outcomes

Swimming New Zealand (SNZ) is the National organisation that represents competitive pool and open water swimming - helping to ensure every New Zealander swims to their potential. Through its membership of Aquatics New Zealand, New Zealand is affiliated to World Aquatics and the NZ Olympic Committee (NZOC). Swimming New Zealand also has an active role in the promotion of water safety, learn to swim, education and certification of swimming instructors and swim schools. Swimming New Zealand is a Core member of Water Safety New Zealand.

SNZ has partnered with AUSTSWIM and Skills Active to ensure those interested in swim teaching have access to internationally recognised training and qualifications and a clear pathway for further development.

Watermark Training & Consultancy designs and delivers innovative training solutions from institutional and organisational reviews, to training needs analysis to on-job training, NZQA unit standard courses and tailored in-house training for the water sector.

We are supported by High Performance Sport NZ as well as Sport NZ and also rely on gaming trust funds and sponsorship.

SNZ's purpose is to support the growth and performance of the sport of competitive and recreational swimming, from entry level swimmers to elite HP Athletes.

The Board monitors progress against the organisation's 2028 Strategic Goals, with regular attendance and presentations from staff being made in each area throughout the year. The plan is ambitious but signals the Board's desire to achieve its Vision of Swimming for all: Swimming for life. The Board regularly monitors the progress towards each of the 16 Measurable Goals and remains confident that the three 2028 Strategic Goals can be achieved. They are:

NZ is a top-16 swimming nation (Performance & Coaching)  
 More people swimming more often (Participation & Competition)  
 New Zealanders safer in the water (Water Safety & Education).

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### 1 Statement of accounting policies

##### **Reporting entity**

These are the financial statements of Swimming New Zealand Incorporated. Swimming New Zealand is an Incorporated Society registered under the Incorporated Societies Act 2022. Swimming New Zealand is the National Sports Organisation for competitive pool and open water swimming in New Zealand. Swimming New Zealand also has an active role in the promotion of water safety, learn to swim, education and certification of swimming instructors and swim schools.

These financial statements have been approved and were authorised for issue by the Board on 4th September 2025.

##### **Statement of compliance**

The financial statements have been prepared in accordance with Generally Accepted Accounting Practice on New Zealand ("NZ GAAP"). They comply with Public Benefit Entity Standards Reduced Disclosure Regime ("PBE Standards RDR"). For the purposes of complying with NZ GAAP, Swimming New Zealand is a public benefit not-for-profit entity and is eligible to comply with PBE Standards RDR on the basis that it does not have public accountability and it is not defined as large.

The Board has elected to report in accordance with (RDR) Accounting Standards.

##### **Significant accounting policies**

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied:

##### **Basis of measurement**

These financial statements have been prepared on a historical cost basis unless otherwise stated.

##### **Functional and presentational currency**

The financial statements are presented in New Zealand dollars (\$), which is Swimming New Zealand's functional currency. All financial information presented in New Zealand dollars has been rounded to the nearest dollar.

##### **Revenue recognition**

Revenue is recognised at the point that it is probable that the future economic benefits will flow to the entity. This is normally when a cash donation is received or when the entity takes control of the asset. Revenue is measured at the fair value of the consideration received. The following specific recognition criteria must be met before revenue is recognised.

##### **Revenue from non-exchange transactions**

###### **- Donations**

Donations are recognised as revenue upon receipt.

###### **- Grant revenue**

Grant revenue includes grants given by other charitable organisations, philanthropic organisations and businesses. Grant revenue is recognised when the conditions attached to the grant has been complied with. Where there are unfulfilled conditions attaching to the grant, the amount relating to the unfulfilled condition is recognised as a liability and released to revenue as the conditions are fulfilled.

###### **- Fund raising**

Funding raising revenue is recognised when the conditions attached to the funding has been complied with. Where there are unfulfilled conditions attaching to the funding, the amount relating to the unfulfilled condition is recognised as a liability and released to revenue as the conditions are fulfilled.

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### Revenue from exchange transactions

##### - Membership fees

Fees and subscriptions are recognised over the subscription period.

##### - User pays contributions

User pays contributions are treated as income when the expenses related to domestic and international events are paid.

##### - Event income

Entrance fees for functions and events are recorded as revenue when the function or event takes place.

##### - Interest income

Interest revenue is recognised as it accrues, using the effective interest method.

#### Financial instruments

Financial assets and financial liabilities are recognised when Swimming New Zealand becomes a party to the contractual provisions of the financial instrument.

Swimming New Zealand derecognises a financial asset or, where applicable, a part of a financial asset or part of a group of similar financial assets when the rights to receive cash flows from the asset have expired or are waived, or Swimming New Zealand has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party; and either:

- has transferred substantially all the risks and rewards of the asset; or
- has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

#### Financial assets

Financial assets within the scope of NFP PBE IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets. The classifications of the financial assets are determined at initial recognition.

The categorisation determines subsequent measurement and whether any resulting income and expense is recognised in surplus or deficit or in other comprehensive revenue and expenses. Swimming New Zealand's financial assets are classified as loans and receivables. Swimming New Zealand's financial assets include: cash and cash equivalents, receivables from non-exchange transactions and receivables from exchange transactions.

All financial assets except for those at fair value through surplus or deficit are subject to review for impairment at least at each reporting date. Financial assets are impaired when there is any objective evidence that a financial asset or group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

#### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less any allowance for impairment. The entity's cash and cash equivalents, short-term investments, receivables from non-exchange transactions, receivables from exchange transactions and non-equity investments fall into this category of financial instruments.

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### **Impairment of financial assets**

The entity assesses at the end of reporting date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

For financial assets carried at amortised cost, if there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The amount of the loss is recognised in the surplus or deficit for the reporting period.

In determining whether there is any objective evidence of impairment, the entity first assesses whether there is objective evidence of impairment of financial assets that are individually significant, and individually or collectively significant for financial assets that are not individually significant. If the entity determines that there is no objective evidence of impairment for an individually assessed financial asset, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is or continues to be recognised are not included in a collective assessment for impairment.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed by adjusting the allowance account. If the reversal results in the carrying amount exceeding its amortised cost, the amount of the reversal is recognised in surplus or deficit.

#### **Financial liabilities**

Financial liabilities include trade and other creditors (excluding GST and PAYE), employee entitlements, loans and borrowings.

All financial liabilities are initially recognised at fair value (plus transaction cost for financial liabilities not at fair value through surplus or deficit) and are measured subsequently at amortised cost using the effective interest method except for financial liabilities at fair value through surplus or deficit.

#### **Cash and cash equivalents**

Cash and cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### **Inventories**

Inventories held for consumption in the provision of services that are not sold on a commercial basis are measured at the lower of cost and net realisable value.

For inventory that was acquired through non-exchange transactions, the cost of the inventory is its fair value at the date of acquisition. For inventory held for distribution or consumption in providing goods and services to be distributed at no charge or for nominal charge, these are measured at cost adjusted for any loss of service potential.

#### **Property, Plant and equipment**

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. Where an asset is acquired through a non-exchange transaction, its cost is measured at its fair value as at the date of acquisition.

Depreciation is charged on a diminishing value basis over the useful life of the asset. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its remaining useful life:

Office Equipment	10% - 50%
Furniture & Fittings	10% - 25%

Depreciation methods, useful lives and residual values are reviewed at each reporting date and are adjusted if there is a change in the expected pattern of consumption of the future economic benefits or service potential embodied in the asset.

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### **Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange.

Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits or service potential embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

The amortisation expense on intangible assets with finite lives is recognised in surplus or deficit as the expense category that is consistent with the function of the intangible assets.

The entity does not hold any intangible assets that have an indefinite life.

Amortisation periods for the assets are as follows:

Software	20%
----------	-----

#### **Goodwill**

Goodwill is initially recognised and measured at cost.

Goodwill is not amortised but is reviewed for impairment at least annually. For the purpose of impairment testing, goodwill is allocated to the entity's cash-generating units expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating units is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit on a pro-rata basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period.

On disposal of a cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

#### **Leases**

Payments on operating lease agreements, where the lessor retains substantially the risk and rewards of ownership of an asset, are recognised as an expense on a straight-line basis over the lease term.

#### **Employee benefits**

Short term employee benefits are expensed as the related service is provided. Liabilities for wages and salaries and annual leave are recognised in surplus or deficit during the period in which the employee provided the related services. Liabilities for the associated benefits are measured at the amounts expected to be paid when the liabilities are settled.

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### **Provisions**

A provision is recognised for a liability when the settlement amount or timing is uncertain, when there is a present or legal or constructive obligation as a result of a past event, it is probable that expenditure will be required to settle the obligation and a reliable estimate of the potential settlement can be made. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including risks and uncertainties associated with the present obligation. Provisions are discounted at their present values, where the time value of money is material.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

#### **Income tax**

The entity is approved as an amateur sports promoter and is therefore exempt from income tax under Section CW46 of the Income Tax Act 2007.

#### **Goods & services tax (GST)**

The net amount of GST recoverable from, or payable to, the Inland Revenue Department is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the Inland Revenue Department is classified as part of operating cash flows.

#### **Equity**

Equity is the community's interest in Swimming New Zealand, measured as the difference between total assets and total liabilities. Accumulated comprehensive revenue and expense is Swimming New Zealand's accumulated surplus or deficit since its formation.

#### **Operating lease commitments**

Swimming New Zealand has entered into a number of vehicle leases, photocopiers and rental property leases at 14 Antares Place.

Swimming New Zealand has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a substantial portion of the economic life of the vehicles and the property, that it does not retain all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

#### **Significant accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

##### **- Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Swimming New Zealand based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of Swimming New Zealand. Such changes are reflected in the assumptions when they occur.

##### **- Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to determine potential future use and value from disposal:

- The condition of the asset
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

For the year ended 30 June 2025

### 2 Revenue by business unit

Swimming New Zealand is managed internally through three business units: administration and participation; education; and high performance.

#### Administration and participation

Supports the regional associations, clubs, and swimmers in all matters pertaining to swimming.

#### Education

Promotes learn to swim and water safety, providing education and certification to swimming instructors and swim schools and education to schools.

#### High performance

Leads and is accountable for the implementation of the high-performance strategy.

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### **7 PBE Combination**

##### **Acquisition**

On 1 July 2022, Swimming New Zealand Incorporated 100% shares and voting interests in ICENZ Limited.

ICENZ Limited is involved in a training business called "Watermark Training and Consultancy". This business is a specialised training consultancy for the swimming pool industry in New Zealand.

##### **Goodwill**

There were no adjustments to goodwill in the current period relating to PBE combination acquisitions in previous years. Goodwill is able to be recognised in this acquisition as ICENZ Limited is a cash generating operation and net cash inflows are being generated. Goodwill in relation to the PBE combination relates to the intellectual property associated with ICENZ Limited to be able to deliver NZQA accredited educational course that relate to water treatment and pool environment. The value of goodwill is \$150,000 as this is the purchase price for 100% of the shares in ICENZ Limited t/a Watermark Training and Consultancy.

##### **Acquisition accounting policy**

PBE Combinations are accounted for using the acquisition method as at the acquisition date, which is the date on which control of the acquired operations is gained.

Swimming New Zealand Incorporated gains control of an acquired operation when it gains (i) power over the operations (ii) exposure or rights to variable benefits from its involvement with the operation, and (iii) the ability to use its power over the operation to affect the nature or amount of the benefits from its involvement with the operation.

Swimming New Zealand Incorporated measures goodwill at the acquisition date as the aggregate of the fair value of the consideration transferred less the fair value of the net identifiable assets acquired and liabilities assumed.

Goodwill is only recognised to the extent that the acquisition results in the generation of net cash inflows and the goodwill arises from the acquisition of cash-generating operations. In all other circumstances, the excess of consideration transferred over the fair values of the net identifiable assets acquired is recognised as a loss in surplus or deficit. Refer to accounting policy around goodwill.

## Notes to the Financial Statements

### For the year ended 30 June 2025

---

#### 8 Commitments

Swimming New Zealand had the following motor vehicle operating, photocopying and property leases (14 Antares Place) commitments as at 30 June:

	2025	2024
	\$	\$
Not later than one year	45,002	97,476
Later than one year and not later than five years	59,999	64,731
Later than five years	-	-
<b>Total</b>	<b>105,001</b>	<b>162,207</b>

Swimming New Zealand had no commitments for capital expenditure as at 30 June 2025 (2024: Nil).

#### 9 Contingent liabilities

A contingent liability is defined in IPSAS PBE 19 as, "A possible obligation that arises from past events, and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within control of the entity." The obligating event for the recognition of a liability is dependent on Swimming New Zealand's Rewards Programme. Swimming New Zealand is obligated to pay affiliated swimmers a sum of money if the swimmer either breaks a record or achieves a medal performance at certain swimming events. This event is not within the control of Swimming New Zealand and therefore a liability may arise in the future, however the timing and extent of this liability is uncertain.

#### 10 Related parties

##### Key management personnel

	2025	2024
Total Remuneration	356,215	364,823
Number of persons	2	2

Swimming New Zealand had no other related party transactions during the year ended 30 June 2025.

#### 11 Events after the report date

There have been no further events subsequent to balance date that require adjustments to or disclosure in these financial statements.
